Access & Canva Instructions

Step 1: Open Your Template

5x7 Printable Invite

👆 **Tap the button above** to open your template. Log in to a free Canva account, then click **Use Template**.

💡 **Link won't open?** Open this PDF in Safari or Chrome, not the Etsy app. On a phone, the free Canva app is easiest: download it, log in, then tap your link.

Step 2: Personalize Your Invitations

A free Canva account is enough to save your work.

Click or tap any text box and type your event details.

💡 **Want to change fonts or colors?** Click the text box, tap the 🔒 lock icon to unlock it, then edit. Be careful not to drag the box out of place. If something moves, tap the undo arrow ↩️ (or press Cmd + Z on a Mac, Ctrl + Z on a PC) to go back. When you're done, tap 🔒 again to lock it.

Editable: All text: name, date, time, location, event details, RSVP

Fixed Elements: Main background artwork and graphics are locked to ensure top-notch quality.

Step 3: Share Your Invitation

📱 After you edit, download the invite and send it by text, email, or social.

- Computer: File > Download
- Phone: Share > Download
- File type: JPG

🏬 **For professional printing:** If sending files to a print shop (Staples, Office Depot, FedEx):

- Computer: File > Download
- Phone: Share > Download
- File type: PDF Print (Best for printing)
